

The Partnership

May 22, 2009

Dillon Christian School

FROM MR. JOHN DAVIS

This will be the final issue of the Partnership this year. Words cannot express how blessed Teresa and I are to serve with you at DCS. God has blessed our school in many ways and we are honored to be part of the history and future here!

We are receiving requests for information regarding enrollment next year. If you have not reenrolled for next year and you believe this is where God wants your child(ren), please go ahead and fill out the reenrollment form. If you have reenrolled but have not paid the registration fee, please go ahead and do so.

Even during a difficult economic time, we are blessed to have a positive reenrollment of over 90% of our students. I am a firm believer that if God wants your children here, He will provide the finances. Teresa and I have been blessed to serve in Christian education for 25 years now and we always saw God's provision for our daughter Danielle to stay in a Christian school, despite our finances. God has provided with the help of anonymous donors and with the assistance of financial aid.

As I shared in the DCS Newsletter, I believe a solid foundation has been laid for our school. But more importantly, many of you have expressed that DCS has much potential for even greater things to happen to impact families' lives, our community, and our world. The future is bright for our school and we look forward to seeing what God has in store!

Thank you for the investment you make to send your child(ren) to DCS. Thank you for your encouraging words and your recommendations during the year. Thank you for the privilege to serve you-I am blessed!
